

DIOCESE OF OTTAWA

DIOCESAN SYNOD 2018 NOMINATION FORM FOR GENERAL SYNOD

Every three years the Anglican Church of Canada gathers for General Synod. The members come from parishes and dioceses all across Canada. Four clergy and four lay members from our Synod membership are elected. The meeting of General Synod helps to shape the mission and ministry of the church for the next three years. There are debates on resolutions, presentations about work being done locally and globally, and plenty of opportunities to talk about the issues we face as a church and as a society. A sound knowledge of the Anglican Communion and prayerful commitment are definite assets. Registration and related costs will be covered by the Diocese.

General Synod will be held in Vancouver, British Columbia, from July 10th to 16th, 2019
