Base COPS is assessed for each parish according to the number of full-time clergy or fraction of full-time clergy a parish has appointed for the coming year at the time of assessment. Base COPS does not include housing.
- b) In the second part of ECOPS each parish is assessed an Equalization Amount. This amount is calculated as the Equalization Total multiplied by the parish's Equalization Ratio for the year of assessment. A Parish Equalization Ratio is the difference between the Diocesan Assessable Income, plus Incumbent Costs, divided by the Parish's three-year average Assessable Income, plus its Incumbent Costs for the same period. 3. Where the boundary between two Parishes is disputed and cannot be arranged by mutual agreement, the Archdeacon having jurisdiction shall issue a Commission to two Clergy and one Lay representative, none of whom is connected with such Parishes, authorizing them to investigate the matter and report their decision to the Archdeacon for his or her consideration, who shall submit the same to the Bishop, with his remarks thereon; and if the Bishop approves of the same, the boundary, so arranged and approved, shall be declared to be the boundary common to the Parishes aforesaid.

4. The boundary of a Parish being once defined, approved and declared, may not be changed, except in the case of the formation of a new Parish, within five years thereafter, or at the direction of the Bishop.

5. NEW PARISHES

Where a group of persons, not less than twenty of whom shall be Communicants of the Church, a majority of whom must be of the full age of eighteen years, residing in the Diocese, desire the erection of a new Parish, whether they reside:

- a) in an existing Parish; or
- b) in a district not belonging to any one Parish; or
- c) in adjoining Parishes;

they may present a memorial to the Bishop to that effect, stating their reasons and the proposed boundaries of such a new Parish and describing the boundaries of the proposed Parish. On receipt of the memorial, the Bishop shall refer the same to the Archdeacon having jurisdiction for study and report. Where the Archdeacon having jurisdiction is the Incumbent of any Parish directly affected by the proposed division and settlement of boundaries, the proceedings under this Bylaw shall be referred to another Archdeacon or such other Clergy as the Bishop appoints. The said Archdeacon shall consider whether the provisions of the applicable Statutes of Ontario and Quebec have been complied with and whether the means for the worship of God will be adequately provided; then he or she shall report to the Bishop in respect thereof, who shall, on approval by him or her and by the Diocesan Council, notify in writing the Incumbents and Churchwardens of the Parishes affected, as to the boundaries of the proposed new Parish.

6. If any of the parties notified as aforesaid objects to the proposed new Parish, he, she or it shall, within 30 days of such notification, state to the Bishop in writing, the grounds of objection. The Bishop may thereupon refuse the request of the memorial, or may appoint a Commission which shall confer with the Incumbent or Incumbents of the Parish or Parishes affected and consider the objections made. The Commission shall then report its findings to the Bishop, and if such report is favourable to the erection of the Parish, and is confirmed, the Bishop may proceed to the erection thereof.

7. AMALGAMATION

Whenever the Bishop shall consider it advisable to amalgamate two or more existing Parishes, and the Diocesan Council has expressed its approval by resolution, he or she shall seek the voluntary consent to such amalgamation by a conference of the Incumbents and Churchwardens of such Parishes.

8. If a voluntary agreement cannot be reached, a Commission shall be appointed by the Bishop to consider the objections of those opposed to the amalgamation, and any other matters pertinent thereto, and to report thereon. If such report is in favour of the proposed amalgamation, and has been confirmed by the Diocesan Council, the Bishop may proceed to carry it into effect by disestablishing the existing parishes and by

erecting a new Parish in their stead. If the report of the Commission is unfavourable, further action shall be deferred for a period of not less than one year from the date of such report.

9. If the Parish thus formed consists of more than one congregation, and the distribution of the financial obligations to be borne by each cannot be agreed upon by the congregations themselves, the Bishop shall appoint a Commission to consider the matter. Their report, after confirmation, shall be carried into effect, but the matter may be reconsidered at the end of each three year period, if requested by the Churchwardens of any one of the congregations concerned.

10. DISESTABLISHMENT

The Vestry of any Parish now or hereafter established may, by a resolution adopted by at least a two thirds majority of those present at a special meeting thereof called for the purpose of considering the matter, decide that it is expedient, for reasons to be stated in the resolution, that the Parish should be disestablished. Upon the said resolution being approved by the Bishop in writing under his or her hand and seal, he or she shall thereupon disestablish the Parish, and allot the territory to some adjacent Parish or Parishes.

11.
 - a) If the Bishop deems it advisable that any Parish now or hereafter established in the Diocese should be disestablished, he or she may, with the approval of the Diocesan Council, confer with the Incumbent and Churchwardens of such Parish with a view to bringing about, if possible, a voluntary disestablishment under the preceding subsection.
 - b) If voluntary dis-establishment cannot be so arranged, the Bishop may appoint a Commission to investigate and report on the advisability, or otherwise, of the proposed disestablishment. If its report recommends disestablishment, and is confirmed by the Diocesan Council, the Bishop may thereupon declare in writing under his hand and seal that the said Parish is disestablished. If, however the report be unfavourable to disestablishment, no further action shall be taken at that time, and all interested authorities shall be notified to such effect.
12. Notwithstanding any other provisions of this Bylaw, before disestablishing a Parish, the Bishop shall require to be submitted to him or her a financial statement of the assets and liabilities of such Parish. If the liabilities are found to be greater than the assets, or if the current liabilities are found to be greater than the current assets, he or she shall submit the statement to the Diocesan Council which shall take such action as it deems necessary under the circumstances.
13. On disestablishment, the register and other books, records and documents, of the Parish shall be surrendered forthwith to the Office of the Synod.
14. On disestablishment, the capital assets of the Parish, of every nature or kind, and the place or places of worship therein shall be conveyed forthwith to and be under the control of the Synod.

15. The Churchwardens of such disestablished Parish shall continue in office for the purpose of winding up only and shall, within a period of not more than three months after the declaration of disestablishment has been issued, discharge all current financial liabilities so far as the current assets at their disposal will allow, and shall hand over to the Synod any balance remaining in their possession, together with an audited statement of receipts and disbursements of the said Parish since the end of its last financial year.
16. Once the remaining liabilities of the disestablished parish have been fully paid, any asset of the parish received by Synod may be allocated in the manner determined by the Diocesan Council on the recommendation of the Bishop, whether the asset is capital or income.
17. At any time after a period of three months has elapsed following the day on which the declaration of disestablishment of a parish was issued, either the Bishop or the Executive Archdeacon may execute any transfer of real property or immovables of the parish to the Synod as if they were the incumbent of that parish, and the Lay Secretary of Synod, the Director of Financial Ministry or the Director of Property and Asset Management may execute such a transfer as if they were the Churchwardens of that parish.
18. A congregation within a Parish may be disestablished, in which case the provisions of the Bylaws that relate to the disestablishment of Parishes shall apply, with necessary modifications, to the disestablishment of a congregation.
19. **UNALLOCATED**
20. **CONGREGATIONS**

Each Parish with the consent of the Bishop and of the Diocesan Council may be subdivided into congregations. With the consent of the Bishop and of the Diocesan Council, any such congregation may have its own Vestry or one or more of them may be grouped together as one Vestry.
